

#BATTLE ROYALE IS A "SURVIVOR" TYPE ADVENTURE THAT CHALLENGES YOU TO WIN COMPETITIONS AS AN INDIVIDUAL, AS A TEAM OR AS A TRIBE. IT IS SURVIVAL FOR THE FITTEST.

## BEFORE THE BATTLE

### FIGURE OUT YOUR BATTLE PLAN

- ✓ With a Tribal Council and eliminations

#### ORIGINAL FORMAT

After each battle, one or more people will be voted off in tribal councils and will join the jury to crown the winner.

FOR GROUP OF 10, 12, 14, 16

#### SUDDEN DEATH

Like any battle, if you win, you stay in the game. If you lose, you are out; but you still get to help crown the winner.

FOR GROUP OF 18 TO 30

- ✓ With a Tribal Council but no eliminations

#### POINT TAKEN

After each battle, winners earn one point. The winning tribe will head to tribal council to vote for someone to take their point away. If there is an odd number of people, additional twists like "Exile Island" may be implemented.

#### LEVEL UP

Tribes will be divided into sub-groups and will gain levels by winning challenges for their tribe. This is a highly strategic game, as each sub-group has unique levels, making it crucial to deploy the right group for each challenge.
